Mike,

The comments are ready to share with CFAC as far as I am concerned. I didn't know whether you were wanting Gunnar to consolidate comments, or just provide a package of comments to CFAC.

Happy Easter.

Hi Lisa,

Are these comments ready to share with CFAC? Do they need a watermark "Draft" through them? I am hoping to go through comments with them while I am up there.

Thanks,
Mike

Mike and Gunnar,

DEQ's comments on the CFAC DSR and SLERA are attached. If you have questions or need anything further, please let me know.

Thanks.
